

Cyan Bay

MINERAL WATER · KARACHI

The refreshing taste of water.

Ozone and UV treated mineral water, delivered
to homes, offices and events across Karachi.

COMPANY PROFILE 2026

ABOUT US

Clean, safe water for every home and office.

Cyan Bay is a Karachi mineral water company. We treat our water with ozone and UV light, add high-quality imported minerals for a balanced taste, and test it in our own lab before every filling. Our own uniformed team then delivers it to homes, offices, factories, schools and events.

3

Bottle sizes: 19 L, 1.5 L and 500 ml

Delivery hubs in Karachi

PSQCA

Licensed by Pakistan Standards, CM/L 4468/2021

Our promise

Every bottle is lab tested, filled by a medically screened team in caps, masks and gloves, sealed with the Cyan Bay safety seal, and delivered by our own staff.

What we offer

- 19 L dispenser bottles with refills
- 1.5 L and 500 ml bottles by the carton
- Custom printed bottles for events and brands
- Corporate plans and bulk orders
- Free sample for new customers

OUR PRODUCTS

Three sizes for every need.

The same ozone and UV treated water in every bottle. Order one size or mix them in a single delivery.

DISPENSER BOTTLE

19 Litre

For water dispensers at home and in the office. We swap your empty for a sealed, refilled bottle.

FAMILY SIZE

1.5 Litre

For the dining table, the fridge and long drives. Available by the carton.

HAND SIZE

500 ml

For meetings, guests, events and the car. Available by the carton.

CUSTOM PRINTED BOTTLES

Your name or logo on every bottle.

We print custom labels on 1.5 L and 500 ml bottles. Send us your text or artwork and we confirm the final label and price before printing.

Ozone and UV treated, with imported minerals.

Ozone treated

Ozone disinfects the water without leaving any chemical taste.

UV treated

Ultraviolet light adds a second layer of protection after ozone.

Imported minerals

High-quality imported minerals are added for a balanced, refreshing taste.

Balanced pH

pH between 6.5 and 8.5, neither acidic nor harsh.

Water content	mg/L
pH	6.5 – 8.5
Chloride	50 – 120
Sulphate	15 – 40
Calcium	25 – 50
Magnesium	5 – 15
Sodium	5 – 15
Fluoride	0.2 – 0.5
Potassium	0.01 – 10
Total minerals	100 – 250

Ranges as printed on the Cyan Bay label. pH has no unit.

PSQCA licensed

Licensed by the Pakistan Standards & Quality Control Authority. License number CM/L 4468/2021.

Safety sealed

Every bottle carries the Cyan Bay safety seal. Our 19 L bottles are refilled only with Cyan Bay water.

8 glasses a day

Good hydration helps you stay alert and focused, and reduces tiredness. Drink better, live better.

Clean at every step, from lab to seal.

Every Cyan Bay bottle is tested, filled and sealed by a medically screened team in protective gear.

Lab

In-house testing lab

Our own lab tests the water before every filling, so only water that passes goes into a bottle.

FG

Food-grade bottles

Every bottle we use, 19 L, 1.5 L and 500 ml, is made from food-grade plastic that is safe for drinking water.

+

Medically screened team

All our workers go through medical tests, including a TB test, and follow strict personal hygiene.

✓

Caps, masks & gloves

Our filling team always wears caps, masks and gloves, so hands and hair never touch your water.

1

Lab tested

Water checked before filling

2

Hygienic filling

Caps, masks and gloves on

3

Sealed

Cyan Bay safety seal

4

Delivered

By our own uniformed team

Built to carry water properly

Three levels of steel shelving with chains on every shelf, so bottles arrive clean and undamaged.

- Covered box keeps out sun and dust
- Chain locks on every shelf
- Loaded and checked before every route

Reliable delivery across our Karachi routes.

Delivery charges as per location

Your first month of delivery is free. After that, the charge depends on how far you are from our route.

Routes and days

Each area has fixed delivery days. Call or WhatsApp us to find out which day our rider comes to your street.

Our fleet

Box trucks

For companies and bulk orders. Covered, with steel shelving and chain locks.

Loader carriages

For street and home routes, with a steel rack that holds 19 L bottles firmly.

Delivery bikes

For quick, on-demand orders to nearby addresses.

Water for **your whole team.**

Supplying an office, factory, school or event? Choose a recurring plan or a one-time bulk order, and we'll send you a quote on WhatsApp.

RECURRING SUPPLY

Corporate plan

Regular 19 L deliveries for offices, factories, schools, clinics and shops, on a fixed day each week.

- Weekly, twice-weekly or fortnightly delivery days
- Empties collected and swapped for sealed bottles
- Volume pricing for regular orders
- One contact person for your account

ONE-TIME ORDER

Bulk & event order

1.5 L and 500 ml cartons, or 19 L bottles, for conferences, weddings, seminars, sports days and Ramadan drives.

- Delivered to your venue on the date you choose
- Custom printed labels with your name or logo
- Mix sizes in a single order
- Bulk pricing on larger quantities

3

Start delivery

On your chosen day and route

A team before a company.

Our riders, drivers and loaders keep Karachi's homes and offices supplied, and we look after them the way good corporates do. We believe happy, healthy employees deliver better service.

The faces at your door

- Uniformed and known: every rider is part of our own team
- Trained to handle water: seals checked, empties collected
- Medically screened, including for TB
- Polite, on time and easy to reach on WhatsApp

Dinner together, every month

Once a month the whole team, from riders to management, sits down for dinner together. No routes, no orders, just good food and time with each other.

SUMMER ACTIVITY

Summer lucky draw

All summer our team set up Cyan Bay stalls across the city. Daily gifts like mugs, tea sets, water bottles, jugs and dinner sets, and a bumper prize every Friday: a water dispenser or a dinner set.
